It is clear from the Executive Engineer's report that some of the slabs of the old bridge at Hilkunji were removed by the Public Works Department and utilized for the construction of the bridges on the Provincial road. Hence the cost of replacing them should be borne by the Provincial revenues.

4. Read Shimoga Division Executive Engineer's docket No. 476, dated 8th May 1909, forwarding for sanction and provision of funds, an estimate for Rs. 1,073, for widening the Hale Sorab tank bund in Sorab Taluk.

7. Read Senior Surgeon's No. 6731, dated 27th May 1909, forwarding copy of Secretary's No. 11518—Med. 138 08-04, dated 20th May 1909, addressed to him enquiring whether the District Board of Shimoga is willing to contribute a third of (1) the estimated cost amounting to Rs. 5,303 of constructing at Nyamti in Honnali Taluk, a building for the Dispensary with a dead house, kitchen and latrine, and (2) the cost of providing quarters on the standard plan for the Hospital Assistant and Midwife estimated at Rs. 2,000 and 1,000, respectively.

Resolution.—The Board are of opinion that the present practice of each member sending a separate bill to the President may be continued, the proposed certificate being attached to the bill. The President should prepare a consolidated bill and send it up with the individual bills containing the certificate to the Comptroller for audit. After audit, he should issue cheques to the Amildars for payment. Resolution.—The Board are of opinion that the estimate may be sanctioned if the Amildar certifies to the expenditure, actually, incurred on account of jelly packing, scaffolding, baling water owing to the slip in the bottom of the well. The

Amildar should also report the value of the wood and bamboos supplied by the villagers for scaffolding according to their mutchalika.
